

Up to \$150,000 Term Life Insurance

No medical exam needed!

Return of All The Premiums You Paid!!!

Did You Know Life Insurance Can Do This?

Provide money for your family should you die unexpectedly.

Provide a steady retirement income that is 100% free of income taxes?

Provide a monthly benefit to you should you become sick or injured and be unable to work for an extended period of time?

Pay a large lump sum benefit if you suffer a heart attack or stroke, or are diagnosed with cancer?

Did you know that there are life insurance policies and riders that can do this?

- **Return all of the premiums you paid for the insurance policy when the term is up and you can spend the money any way you want**
- **Pay your love ones up to double the policy limit if you die due to an accident**
